

The MONEY PLAN

WORKSHEET for Categorizing and Analyzing Income Sources

You need to complete this before you can do the Income Accelerator process in The Money Plan.

From Video #2: Categorizing Your Art Income

The video and notes have many examples.

Knowing that I can always change this, I am starting with the following categories for my income sources.

From Video #3: Analyzing Your Art Income Numbers

Follow the instructions in the video to complete.

My income from each of these in the last three years is ...

Income Source	Year 1 \$,%	Year 2 \$,%	Year 3 \$,%

This is what I discovered from looking at those numbers:
